

THERESSA ANGELINA SIANTURI

Profile

I was born on May 22, 2006, in Jakarta. My hobbies include reading books, listening to music, and watching movies. I am fluent in both Indonesian and English, and I have a basic understanding of Mandarin, including fundamental grammar and vocabulary.

I am a student at Telkom Vocational School, majoring in Software Engineering. Experienced as a diligent and creative individual within a flexible work environment, adept at adapting to various professional settings. I am keen on pursuing opportunities in the fields of UI/UX and programming to enhance dynamic business needs. I thrive in dynamic environments and see challenges as opportunities for growth.
